

**STUDENT AND PARENT
HANDBOOK
FOR THE
2022 – 2023
PIEDMONT HIGH SCHOOL BAND**

I. Grading Policy

A. Performances

1. Band is a performance-based class, and ALL performances are mandatory. Scheduled performances include football games, marching contests, concerts, MPA, and Parades.
2. If a student misses a Contest, Concert, or Parade, they will receive a 0% as a test grade. Students that perform in each required performance will receive a 100% for a test grade. Students will be given an opportunity to make up the 0% grade with an alternate assignment.

B. Playing Tests

1. Students will be tested periodically on passages from the music they are studying in class or from exercises that relate to the key signatures we are studying.
2. Playing tests will be submitted through Canvas at home.
3. Students can retake/resubmit the test as many times as they wish to improve their grade. The goal is for the students to push themselves to a mastery level with each exercise without having to worry about the pressures of a bad grade.

II. MARCHING BAND

A. Performance Etiquette

1. We are at games to support our school and our football team. ALWAYS be on your best behavior and show school spirit at ALL times.
2. Show respect. The band will be called to attention during the National Anthem. Failure to maintain a perfect attention will be considered a serious offense, and you will lose your 3rd quarter break privileges immediately.
3. Band members are expected to observe the other band's halftime show. When both bands perform at halftime, we will observe from the sidelines. Do not move around while the other band is performing; this is extremely rude. Observe, learn, and enjoy the other band's performance.
4. Complement the other band's members after they perform. Don't make derogatory comments; such immature comments do nothing but harm the image of our band.
5. While in the stands, students need to stay in their designated spot with the rest of their section.
6. Only marching band students are allowed to be in the stands with us. All boyfriends, girlfriends, friends, etc. that are not in the band can sit in the section next to us if they would like.
7. Act mature and make good decisions. Public displays of Affections (PDA) are not permitted while in school, therefore they will not be permitted while attending football games, band contests, practices, and bus rides to and from Piedmont. If you are not mature enough to follow these rules, then you are not mature enough to be in a relationship.
8. At marching contests, students are not to talk once a performing band has taken the field. Be quiet, be still, and be respectful of the performing band's effort and "if you can't say something nice, then don't say nothing at all." – Thumper.
9. Food, candy, gum, drinks (except water) are not allowed in the stands at any time during the game. Do not bring food back with you into the stands after 3rd quarter

break. Uniforms and instruments are very expensive. They can be damaged very easily with food and/or drink items.

10. When in full uniform, please stay clear of ketchup, mustard, nacho cheese, and other foods that could stain your clothes.
11. Students/Parents will be responsible for cleaning their own uniforms. Instructions for proper uniform cleaning can be found on the band website.

B. Travel Guidelines

1. ***All students must ride the bus to the game/contest. Once the contest/game is over, any parent wanting to take their child home directly from the performance location must provide a written note to the Band Directors BEFORE we leave PHS for the game/contest.***
2. Stay seated when the bus is moving.
3. Trash is not to be left on the bus. All trash belongs in the trash can.
4. The bus must be cleaned at the end of each trip.. **Students are responsible for this, not parents!**
5. Only drinks with a screw on cap will be permitted on the bus.
6. Co-ed seating will not be allowed on the bus.
7. Couples will not be allowed to ride the same bus. NO EXCEPTIONS!!!
8. Yelling, bad language, rough play, or public displays of affection will not be permitted at any time.
9. Students should remain respectful and keep noise to a minimum.
10. Students may listen to music on the bus, but they must use headphones at all times.
11. Cell phones are permitted on the bus, but they must be on vibrate or silent at all times.
12. Students are to obey the Directors, staff members, and chaperones at all times. If a student feels he/she is being treated unfairly, that student should obey orders regardless, and then discuss it with the Directors in private. If we as the Band Directors do not know what is going on, then we can't help you.
